Erik Vaska
Michael Flower

FC Members Absent:

Ron Welk

Staff Members Present:

Brice Kahler, CFO
Emily Arnold, Controller

Board Members and Visitors Present:

Leo Stegman, Board Treasurer

1. The Finance Committee meeting was called to order at 6:00 p.m. A quorum of the Finance Committee was present.
2. The Finance Committee reviewed the March 24, 2025, Finance Committee meeting minutes.

A motion was made to accept the March 24, 2025, HRCA Finance Committee meeting minutes as presented. The motion was approved with one abstention.

Motion: Jennifer Harris Second: Shane Callahan

3. The Finance Committee reviewed and discussed the March 31, 2025, HRCA Financial Statements. The actual to budget favorable/unfavorable variances were identified, explained, and discussed for consolidated financials and each operating fund. Consolidated revenues are ahead of budget YTD by \$34K; consolidated expenses exceed budget YTD by \$109K. Program performance was also discussed, noting that Sports & Fitness and Aquatics programs are doing very well. We are actively marketing to fill 27 open spots in Preschool.

A motion was made that the HRCA Finance Committee accept the March 31, 2025, Highlands Ranch Community Association Financial Statements. The motion was approved unanimously.

Motion: Erik Vaska

Second: Michael Flower

4. The Finance Committee next reviewed the Q1 2025 Highlands Ranch Community Association 501(c)3 Financial Statements. Actual to budget variances were discussed for Highlands Ranch Cultural Affairs Association, Highlands Ranch Scholarship Fund, and Highlands Ranch Backcountry Conservation and Education Fund. Sources and uses of operating funds were discussed, including anticipated SCFD grants and contributions from HRCA.

A motion was made to recommend that the HRCA Finance Committee accept the Q1 2025, 501(c)3 Financial Statements. The motion was approved unanimously.

Motion: Jennifer Harris

Second: Erik Vaska

5. Brice Kahler presented the Q1 2025 Investment overview. As of March 31, 2025, we had approximately \$3M to invest. Working with Morgan Stanley and carefully considering current market volatility, we picked up some CD's and corporate debt subsequent to quarter end.
6. Other Business:

Brice Kahler discussed upcoming emergency reserve expenditures for two HVAC units at Westridge and pool lights at Northridge and Eastridge. These expenditures are scheduled for 2026 in the Reserve Study, but will be necessary to replace this year instead.

The accounting for the annual Cigna rebate was also discussed. We will accrue estimated surplus above stop loss during the year.

With no further business, the meeting was adjourned.

Respectfully Submitted,

Emily Arnold, Controller

III. REVIEW OF TRIBUNAL HEARINGS

- A. **8642 Mallard Place** | Synthetic flora on fence (ARC Denial).
 - a. Tribunal Officer AFFIRMED the denial finding no grounds for a variance or to override of the Committee's reasonable aesthetic judgment.
- B. There are three Tribunal Hearings scheduled for May 15, 2025:
 - a. **6342 Yale Drive** | Exterior Permanent Perimeter Lighting (ARC Denial).
 - b. **11081 Valleybrook Circle** | Limited Exterior Permanent Perimeter Lighting (ARC Conditional Approval).
 - c. **5300 Foxborough Court** | Chicken Coop Placement (ARC Denial)

IV. RESIDENTIAL APPOINTMENTS

- A. **10132 Silver Maple Circle** – Sauna & Hot Tub.

Note: The submittal also included landscaping improvements; however, these improvements were vetted by Staff and found to be acceptable. This review is specific to the Sauna & Hot Tub.

- a. **DISCUSSION:**

- i. The homeowner/applicant (Peter and Vandy Fischer) were in attendance and provided the ARC with a presentation of what they're proposing and additional discussions they've had with the manufacturer about the glass on the Sauna.
 - ii. In response to PC's question on orientation, the Fischer's confirmed that the only door into the sauna would be facing northeast (toward the proposed hot tub).
 - iii. The ARC agreed that the location of the sauna would be well screened from the neighboring property by the large shed that currently exists on the neighbor's property in, generally, the same location.

- b. **ACTION:**

- i. Motion (by: PC, 2nd by: PC) to **APPROVE AS PRESENTED.**

- B. **432 English Sparrow Dr** – Paint Colors.

- a. **DISCUSSION:**

- i. The homeowner/applicant (Ryan and Sarah Day) were in attendance and provided the ARC with a presentation of what they're proposing.
 - ii. The ARC debated the dark color selection; however, the felt that it was somewhat mitigated with the use of light color trim.
 - iii. The ARC advised the Day's that dark colors tend to fade quicker and require repainting more often than "traditional/lighter" colors.

- b. **ACTION:**

V. NEW BUSINESS

A. 1146 Cherry Blossom Cir – Shed & Deck.

a. **DISCUSSION:**

- i. There are two aspects to this application: Reconstruction of a deck and a constructed (without prior approval) shed.
 - a. Regarding the reconstruction of the deck. The ARC takes no exceptions to the design as it appears to be in the same location as the previous deck.
 - b. Regarding the construction (without approval) shed. The ARC relied on RIGs §2.2 and finds that the shed in its current configuration is too close to the fence; is too tall with a single-pitch roof; included mismatched siding materials; included an oversized unfinished soffit. The ARC found that the shed was not aesthetically pleasing and that it must be removed, or brought into compliance with the RIGs.

b. **ACTION:**

- i. Motion (by: PG, 2nd by: JL) to **APPROVE THE DECK, AS SUBMITTED.**

- iv. Motion **PASSES.**

B. 3024 White Oak St – Paint.

a. **DISCUSSION:**

- i. The ARC found that the incorrect color match (“Commodore”) by the painter is unacceptable and that the approved color (“Night Flight” S520-7) must be applied.

b. **ACTION:**

- i. Motion (by: PC, 2nd by: JL) to **DENY, ORIGINALLY APPROVED PAINT COLOR MUST BE USED.**

- ii. Motion **PASSES.**

C. 4930 Fenwood Dr – Lighting.

a. **DISCUSSION:**

- i. The ARC found that the quantity and type of light, and method of installation, are not in compliance with RIGs §2.44.
- ii. The ARC suggests the applicant consider installation of acceptable under soffit style lighting (e.g., Permanent Eave/Trim Lighting) that is compliant with RIGs §2.44.E.

b. **ACTION:**

- i. Motion (by: PC, 2nd by: KL) to **DENY, INSTALLED LIGHTING MUST BE REMOVED.**

- ii. Motion **PASSES.**

E. 9309 Sandhill Way – Garage Door Paint.

a. DISCUSSION:

- i. The ARC considered this application as a variance to RIGs §2.50 that notes that garage doors "...shall be painted to match the base or the trim, unless otherwise approved by the ARC."
- ii. The ARC reviewed the requested color and found that the requested color, which would be in no other location on the house, would introduce a fourth color (not including the color of the brick) to the home. This has traditionally been denied.

b. ACTION:

- i. Motion (by: RC, 2nd by: JL) to **DENY, GARAGE DOOR MUST MATCH THE BASE OR THE TRIM.**

G. 9815 Castle Ridge Cir – Expansion of Soffit Lighting.

a. DISCUSSION:

- i. The ARC is concerned with the location of the planned expansion of the soffit lighting system and the impacts to the neighboring living spaces. When looking at the additional areas requested, on both sides of the home, it appears that the neighboring homes have second story windows at approximately the same level.
- ii. The ARC felt that it was reasonable to anticipate that nuisance glare from this expanded system could adversely impact the neighbors.

b. ACTION:

- i. Motion (by: RC, 2nd by: KL) to **DENY, ELIGIBLE FOR RESUBMITTAL.**

H. 9835 Silver Maple Road – Year-Round Holiday Decoration/Lawn Ornament.

a. **DISCUSSION:**

- i. The ARC relied on RIGs §2.44.F: Temporary Holiday Lighting and Decorations and felt that the year-round display of the skeleton, regardless of the dress decoration that was applied to it, was not in the spirit of the RIGs.
- ii. The ARC also relied on RIGs §2.48: Ornaments/Lawn Décor and found that the size of the skeleton exceeds the 12-inch maximum height and its color and design does not integrate into the landscape.
- iii. The ARC requires that the skeleton be removed.

b. **ACTION:**

- i. Motion (by: KL, 2nd by: PC) to **DENY**.

Notes: None.

- ii. Motion **PASSES**.
-

I. 9925 Spring Hill St – Paint.

a. **DISCUSSION:**

- i. The ARC debated the use of “Winter Way” for the Base Color and found that it was grey and did not provide enough contrast between it and the Accent Color (“Limousine Leather”).
- ii. The ARC concurs with staff’s suggestion that the Base Color be “Midnight Blue” (Behr N480-7), with “Limousine Leather” (Behr MQ5-05, as requested) as the Accent Color and “Ultra Pure White” (Behr PR-W15, as requested) for the Trim and Garage Door Color.

K. ***EMERGENCY REVIEW* 10908 Oakshire Ave** – Under Construction Backyard Excavation Project.

a. **DISCUSSION:**

- i. The ARC appreciates your desire to modify the slope of your backyard to make it more usable and appreciates your immediate removal of the earthen spoils that were in the street right-of-way.
- ii. The ARC is concerned about the height of the, at a minimum, lower retaining wall. We have confirmed that retaining walls greater than four (4) feet in height (measured from the bottom of the footing to the top of wall) require engineered plans that must be reviewed, approved, and permitted by Douglas County Building Department. Although the ARC does not have the technical expertise to review construction drawings (the HRCA relies on the professionals at Douglas County for this), the ARC suggests the following two alternatives:
 - a. Have your contractor consider reducing the height of the lower retaining wall to a maximum of three (3) feet, measured from the bottom of the footing to the top of wall, adjust the slope between the tiered walls to no more than three horizontal to one vertical (3:1), increase the height of the second tier wall to a maximum of three (3) feet, measured from the bottom of the footing to the top of the wall, and continue this philosophy on until you meet existing grade. This option may make the necessity of obtaining engineered construction drawings and applying to the Douglas County Building Department for permitting moot.
 - b. Or, leave the design as currently installed and have your contractor reach out to the Douglas County Building Department to discuss the review/permitting time and costs. The point-of-contact at Douglas County Building is:
Rick Miller, Building Inspector Supervisor
Douglas County Department of Public Works Engineering: Building Division
100 Third St., Castle Rock, CO 80104
303-660-7497 ext 2242 | rsmiller@douglas.co.us
- iii. The ARC is concerned that positive drainage is maintained away from your home after construction, and that the new “flat area” doesn’t become a low point that could collect runoff. Your contractor will need to ensure that positive drainage is maintained away from your home, across your side yards (but not directed to either of your side yard neighbors), and ultimately into the public right-of-way of the street.

 - i. Homeowner (ET) was present to address questions.
 - ii. Staff noted that an Improvement Survey Plat was not included, and the submitted drawings show the improvements positioned directly at the required side and rear setbacks.
 - iii. Homeowner (ET) noted that his contractor has submitted for Building Permit review; however, he wasn't sure if the Building Permit had been issued. Staff checked the Douglas County website and confirmed that the Building Permit was still "In Review."
 - iv. **APPROVAL CONDITION.** Homeowner to confirm with Douglas County during permit review that the project does not encroach into rear or side yard setbacks.

V. NEW BUSINESS

- A. **550 James St** – Fence.
- a. **DISCUSSION:**
 - i. Staff described the "zero lot line" development standards.
 - ii. The ARC appreciated the "sample" photographs (provided by the applicant to show similar fences in the general vicinity) and understand that the intent is to construct a fence that is compliant with Figure 1 of the RIGs (6' tall, solid cedar fence), which is different than the "sample" photographs provided.
 - iii. The ARC was concerned with the sketch on the location of the proposed fence. Staff noted that the intent of the applicant was to install the fence behind the existing front yard tree. Staff also noted that the fence would not be allowed to block access to the neighbor's gas meter (the side of the neighbor's home is on the lot line).
 - iv. The ARC questioned in the neighbor had provided permission for the fence. Staff noted that neighbor permission is not required and that the fence will not connect to

the neighbor's home but terminate at a fence post at the property line, adjacent to the neighbor's home.

- v. **APPROVAL CONDITION.** To ensure the expectations are understood, the ARC included three conditions to their approval, as follows: (1) The fence must be located behind the front yard tree, (2) The fence may not block access to the neighbor's gas meter, and (3) The finished side of the fence must be facing the front yard and must be stained Highlands Ranch Fence Brown.

B. **857 Fairchild** – Addition.

a. **DISCUSSION:**

- i. Staff noted that this home is in Planning Area 23, which requires a 5' side yard setback. The existing home is 29.9' from the side property line. With a 24' wide proposed addition, the home will remain compliant with the side yard setback requirement ($29.9' - 24' = 5.9' > 5.0'$, compliant).
- ii. RC noted that the construction plans include the installation of four (4) skylights; however, §2.72 only allows "...three (3) units per single roof slope." RC confirmed that the size of the skylights was compliant, and he didn't take any exceptions to the home having four. Staff noted the ARC was authorized (per Section 10.21 of the Community Declaration) to "authorize variances from compliance...." The ARC agreed that a variance to allow the four (4) skylights is acceptable because it would not adversely impact the aesthetics of the home.
- iii. The ARC appreciated that the materials palette will match the existing home.
- iv. The ARC appreciated the professionally prepared Architectural Drawings.

b. **ACTION:**

a. **DISCUSSION:**

- i. Staff noted that this home is in Planning Area 07, which requires a 20' rear yard setback. The existing home is 57.2' from the rear property line. With a 12' deep proposed addition, the home will remain compliant with the rear yard setback requirement ($57.2' - 12' = 45.2' > 20.0'$, compliant).
- ii. The ARC appreciated that the materials palette will match the existing home.

D. 2976 Clairton Dr – Paint.

a. **DISCUSSION:**

- i. The ARC expressed concern that the homeowner's preferred paint color appeared excessively dark.
- ii. Staff was directed to advise the homeowner that darker hues tend to absorb and retain more heat, which can accelerate fading and may result in a noticeably shorter repainting cycle. Additionally, excessive heat retention—particularly on south- and west-facing elevations—can negatively impact energy efficiency and reduce the comfort of adjacent outdoor living areas during warmer months.

E. 8875 Briarview Ln – Fence.

a. **DISCUSSION:**

- i. The ARC reviewed this application in two parts: (1) Side Yard, defining backyard, two-rail open fence removal and replacement with 6' solid privacy fence, (2) Installation of new, freestanding 6' solid privacy fence in the Side/Front yard.

- a. Side Yard, defining backyard. The ARC takes no exception to the removal of the existing two-rail side yard fence and its replacement with a 6' solid privacy fence (RIGs, Figure 1). The new fence may extend from the existing two-rail rear yard fence to the existing two-rail fence that separates the rear yard from the side yard, provided it includes a transition section (RIGs, Figure 2) before connecting to the rear yard fence.

- b. Side Yard/Front Yard Fence. The ARC takes partial exception to the proposed design. Specifically, the ARC denies the request for a 6' solid privacy fence that extends beyond the front plane of the home's lower living area and terminates abruptly in the front yard.

However, the ARC would support continuation of the approved 6' solid fence (referenced in ¶E.a.i.a) up to the front plane of the lower living area. From that point to the terminus approximately 10' from the back of sidewalk, the ARC would support a two-rail open fence (RIGs, Figure 3), consistent with other open fencing on the property. A transition element (RIGs, Figure 2) from the 6' solid fence to the 3'-6" open fence will be required.

- c. The ARC directed Staff to work directly with the homeowner regarding the proposed side yard fence extension into the front yard. If the homeowner agrees to the ARC's suggested design modifications, Staff is authorized to revise the current 'Partial Denial' to an 'Approval with Conditions,' with the conditions reflecting the agreed-upon adjustments.

F. 9204 Wilshire – Camera with Solar Panel.

a. DISCUSSION:

- i. Staff noted that this application was brought forward specifically to address the inclusion of a solar panel. The goal is to gauge the ARC's position on these devices to allow for administrative approval of similar future submittals. The panels are generally small, ranging from 4.5" x 7" to 7" x 8".
- ii. The ARC expressed support for the use of solar panels for these devices, noting their alignment with renewable energy initiatives.
- iii. The ARC directed Staff to include language requiring that the power cable between the solar panel and the camera be neatly secured and not left to dangle.

G. 1007 Broome Way – Fence.

a. DISCUSSION:

- i. Staff noted that this review concerns a fence installed without prior approval, with its existence first brought to the Association's attention through a neighbor complaint. The 6' solid privacy fence was constructed using steel posts and wood slats, consistent with RIGs, Figure 1. However, unlike standard practice (though not a stated requirement), the finished side of the fence was oriented inward toward the homeowner's lot. Staff clarified that, per RIGs §2.30.F.1, the requirement for finished sides to face outward applies only when a fence fronts or abuts a public or private street, another front yard, a common walkway, greenbelt, park, school, or non-urban area. Staff further noted that no transition sections (RIGs, §2.30.B.3.c and Fig 2) were installed where the new fence connects to existing fences of different heights—specifically, the 3'-6" split-rail cedar fence along the rear property line adjacent to open space and trail.
- ii. The ARC determined that requiring the new side yard fence to transition to the lower-height wing fence on the neighboring lot would not be aesthetically appropriate, as it would create a visually disruptive "wave" along the top rail. However, the ARC agreed that a transition element (RIGs, §2.30.B.3.c and Fig 2) must be installed where the new side-yard fence meets the rear split-rail fence.
- iii. The ARC also required that the return fence and gate be stained Highlands Ranch Fence Brown, in accordance with RIGs §2.30.D.3.
- iv. **APPROVAL CONDITION.** Include a transition section (RIGs, §2.30.B.3.c and Fig 2) from the new 6' solid fence to the existing split rail cedar fence along the rear property line. Stain the new return fence and gate Highlands Ranch Fence Brown (RIGs, §2.30.D.3).

I. 9289 Road Runner St – Paint.

a. DISCUSSION:

- i. Staff noted that the ARC has historically denied the use of the requested base color, Sherwin Williams "Favorite Jeans," due to concerns about its appearance on large exterior surfaces. Previous ARC leadership emphasized that certain colors may appear significantly different when applied to full home façades under natural light compared to how they appear on small paint chips viewed indoors.
- ii. The ARC acknowledged that various shades of blue are commonly used on homes throughout Highlands Ranch. In this instance, the difference between the homeowner's requested color and the Staff-recommended alternative was not deemed significant enough to warrant a formal denial.
- iii. The ARC directed Staff to observe the appearance of the approved color once applied to the home and to provide photographs for future reference. While the ARC recognizes that color preferences are inherently subjective, they reserve the right to re-evaluate the appropriateness of this shade in future applications based on how it ultimately presents in the field.

III. NEW BUSINESS

A. **Highlands Ranch Apartments: PD Amendment**, Plaza Dr, West of Children's Hospital.

This application is for a Planned Development (PD) Amendment to the Highlands Ranch Planned Development Guide (HRPDG) to add 400 residential dwelling units to Planning Area 85, increasing the Total Dwelling Units of the PD from 36,068 to 36,468.

The property is composed of two separate parcels of land currently owned by the Englewood McLellan Reservoir Foundation. The first parcel (#229-042-08-001) is approximately 4.6-acres in size; the second parcel (#229-042-09-002) is approximately 10.2-acres in size. The land is in Planning Area 85.

a. Staff presentation by W. **Bryant** and J. **Mezger**.

- i. Reference Staff Memo to DRC dated May 15, 2025.
- ii. W. **Bryant** explained that while multi-family residential is a Use Permitted by Right, per HRPDG §X-B(B)(19), in Planning Area (PA) 85, no dwelling units are currently assigned to PA 85.
- iii. W. **Bryant** noted that the applicant, through their consultant (Norris Design), based on a suggestion from the Douglas County Board of County Commissioners, requested a letter from the HRCA Board of Directors (BOD) noting that the HRCA is in "general support of this development moving forward with the Planned Development (PD) Amendment and Site Improvement Plan (SIP) processes." Staff completed a review, asked several questions that were addressed by the Applicant, and presented a Staff Memorandum (dated March 11, 2025) to the HRCA BOD requesting their feedback. The HRCA BOD provided a "No Exceptions Taken" response on March 25, 2025 that was forwarded to the Applicant.

b. Applicant presentation by M. **Mooney** and A. **Wallace**.
