Summarize your background and community involvement. What, if any, qualifications do you possess that might be an asset to HRCA?

As a Project Manager in Facilities Design and Construction, I oversee complex projects, manage budgets, and time lines, plus collaborate with stakeholders. This experience in resource management, team coordination, and problem-solving can directly support HRCA's needs.

Briefly state your reasons for wanting to be a District Delegate for the HRCA.

I have a breathe of technical knowledge and strong community involvement which drives my desire to invest more time in local organizations as my children have grown. My leadership, problem-solving, and organizational skills would allow me to contribute to HRCA as it adapts to the evolving needs of the residents of this community.

Do you or anyone in your household use the HRCA facilities or participate in HRCA programs? If so, please elaborate.

We have participated in various HRCA activities, including swimming lessons, sports teams, preschool, and spring break classes. We also enjoy the parks, trails, and pools in Highlands Ranch. My oldest son's first job was as a birthday party host here.

Do you attend HRCA Events? If so, please explain your favorites and why.

My family enjoys many HRCA events, including the Holiday at the Mansion and Dueling Pianos night, which I've attended several times. My children participate in scouts and volunteer at events like the annual ice cream social.

What do you like most about living in Highlands Ranch?

It is a growing and lively community. There are many places to shop and dine. Many employers have companies nearby making employment easier for adults as well as teenagers entering the work force.
