Summarize your background and community involvement. What, if any, qualifications do you possess that might be an asset to HRCA?

This would be my first time being an official delegate but in past communities across the country I have worked with boards to make improvements to the communities I lived. Specifically, working with town boards and mayors to create/repurpose public park areas. I am a very personable, outgoing, open minded, and most importantly, very motivated. On the daily, I am an engineer at Lockheed Martin!

Briefly state your reasons for wanting to be a District Delegate for the HRCA.

I care about this community, my neighbors, and I think it is important to be all-in on where you live. I want to continue to maintain the image and reputation of HR so we can continue to be the area where families want to live! I would like to have a part in maintaining the quality of life as well as image and reputation of HR. I want to make sure I am able to give my future kids the best neighborhood to grow up in.

Do you or anyone in your household use the HRCA facilities or participate in HRCA programs? If so, please elaborate.

Yes, my wife and I use many of the HRCA facilities; mainly the rec centers, trails, fields, and backcountry.

Do you attend HRCA Events? If so, please explain your favorites and why.

Yes, our favorites are the backcountry races as well as the wildcat mountain trail races!

What do you like most about living in Highlands Ranch?

Hard to pick only a few, but some of my favorites are the access to trails, the wide range of community events, businesses in the area, cleanliness, safety, and the sense of community.
