Dear Potential Sponsor:

We are thrilled to announce the date of **HRCA's 2025 Golf Tournament**, scheduled to take place on **Thursday, June 26, 2025**, at the University of Denver Golf Course at Highlands Ranch (9000 Creekside Way, Highlands Ranch). This golf tournament isn't just a fun day on the links, it serves as a testament to HRCA's commitment to giving back to our community and supporting the incredible 501(c)3 non-profit organizations that make a positive impact within our community.

The golf tournament financially supports the following non-profits:

- Backcountry Wilderness Area Fund – Supports conservation efforts and outdoor education in the Backcountry Wilderness Area
- Highlands Ranch Cultural Affairs Association – Organizes arts, cultural, and community events in Highlands Ranch
- Highlands Ranch Community Scholarship Fund – Provides scholarships to local students pursuing higher education

We value the strong relationships we've built with contractors, vendors, community partners, and members. Whether you've supported us before or are considering sponsorship for the first time, your involvement is vital to this event's success.
